

K-Love Radio is a vital part of my community. It is a positive, wholesome approach to broadcast radio. With the recent Howard Sterns and Janet Jackson incidents, I want an alternative to what "normal" broadcasting has to offer. If K-Love were displaced by an LPFM station, the positive, encouraging message that they offer would cease, and be replaced by something that would not be "family-friendly." The service provided by K-Love is in the public interest because people are encouraged in a positive way, and, at the same time, are shielded from the commercials, profanity, and questionable programming offered by other formats. K-Love helps me get through each and every day, and most of my friends in Carlsbad, NM listen to K-Love as well. Don't take away K-Love and its positive, encouraging format. The community of Carlsbad, NM is a better place because of K-Love! Thank you for your time.
